Instruction - Information

Order Early. If you delay ordering until it is time to plant you are almost certain to find some of the varieties you wanted are all sold.

Substitution. Orders are filled with varieties mentioned in the order—subject to prior sale. If we are out of the one ordered, will supply the next sizes, larger or smaller, that we have in stock unless you request us not to do so—with gladiolus.

Time of Shipment. Unless otherwise ordered dahlia tubers will be shipped on or before May 1st. We do not ship during December, January or February. On a deposit of 25% of the full amount of the order sent, over \$5.00, we will hold order till March 1st. We pay postage on orders of \$1.00 and over accompanied with cash. Orders less than \$1.00 can be filled only at a loss.

Remittance should be made by bank draft or P. O. money order, Checks or money order may be drawn to the order of the REX FLORAL GARDENS, Rt. 5, Box 76, South Akron, Ohio

Important

All orders accepted subject to prior sale as season advances we will be out of certain sizes of gladiolus. Shall we substitute the next size of the same variety if we are out of the one ordered? Make your wants fully and clearly known in your first order, as frequently while we are corresponding regarding a certain size, some other customer sends a check for the whole lot.

Minimum sales are \$1.00 for total items. We will refund any excess you send. Do not write, asking us what the postage will be as we can not tell until the order is packed. After the order is packed it should be sent at once and not held for correspondence.
